In the JBalyeat Collection, Beautiful Notecards Inspire Hope

Thoughtful Gifters Delight at Discovery of Elegant Products in Their Quest for the Perfect Gift.

BOZEMAN, Mont., March 13, 2018 (Newswire.com) - Jolene Balyeat Designs is excited to present The JBalyeat Collection of notable gifts and stationery products. Designed to inspire gift enthusiasts who desire their message to be more than a mere communiqué, this beautiful collection is a hopeful antidote to turn moments into memories. The JBalyeat Collection is featured online March 15, 2018, at JBalyeat.com.

"When someone receives a thoughtful note or beautiful gift they feel Loved. Valued. Known," said Jolene Balyeat, founder, and creative visionary. "We call this a moment of beauty. At JBalyeat we love beautiful moments. We believe they inspire hope first in the giver by offering a remarkable product on which to communicate value, identity and gratitude; secondly, in the receiver as they are deeply touched through this thoughtful affirmation," concluded Balyeat.

The signature JBalyeat Collection features an elegant line of 27 coordinating products including [notecards](#), stickers, [gift wrap](#), ribbon, and tags, as well as a gallery of [fabric designs](#) available for textile applications. In creating the collection, designer Balyeat chose a limited pallet of Black Velvet and Natural Cream colors for their timeless elegance and universal appeal. These colors offer a neutral canvas which eagerly coordinates with themes of weddings and other gifting occasions. Beauty is woven into the JBalyeat Collection like a canvas made of products designed to coordinate together and inspire gifters everywhere to paint their moments into memories.
